**PMHA
2010 District
Meetings**

What is a District Meeting?

The staff of PMHA take to the highways of Pennsylvania to host **informal seminars** throughout the state. Bringing important information right to your doorstep.

Whether you are a community owner/manager, a retailer, or a lender - now is the time to know what is happening in your region, in your industry and what will affect your business dealings.

District Meetings are a great way to get **the information you need** to run your business and an even better way to get the answers to questions that confront you and your business.

District Meetings are **FREE** to all members of PMHA and are just one more way that we try to help you to succeed in today's business climate.

Select the District Meeting that is closest to your business and sign up today. We look forward to you joining us at one of the 2010 District Meetings.

What **better way to end your day** than with a cup of hot coffee, a tasty treat, a wealth of information and the opportunity to connect with old friends and even make a few new ones.

You don't know you may get answers to your most troubling questions or better yet help another member resolve their most frustrating situation. You will leave the meeting refreshed and charged.

Face it, you have **nothing to lose!**
