MANUFACTURED HOUSING CARD AGENT TRAINING

This course meets the PennDOT Agent Services Training Requirements for individuals handling titling of manufactured homes, only.

Act 152 of 2002 mandated that all card agents, sign contracts with PennDOT. This includes manufactured housing retailers who process title work. Under the terms of the contracts, issuing agents and anyone else involved with titling must complete a PennDOT-authorized agent service training course.

This PennDOT-authorized course consists of instruction designed to give in-depth and well organized introductions to the most common transactions and procedures when processing manufactured housing title work. Instruction includes basic form completion with motor vehicle certificates of title, forms MV-1, MV-4ST and many more.

Card Agents are required to be trained one year after initial licensing and every two years thereafter.

The registration fee includes, handouts and a certificate of completion. Lunch and refreshments are provided for in-person classes.
